SUMMARY

B.Sc. IT third-year student with a strong foundation in C++, Java, and web technologies including HTML, CSS, and basic PHP. Developed a Report Writing Portal and College Lab Issue System with LAN-based functionality, enabling device tracking through IP address and device name. Hands-on experience in web development, basic networking concepts, and backend integration. Possesses strong logical thinking, problem-solving skills, and a continuous learning attitude.

TECHNICAL SKILLS

- Programming Language: Core Java , CPP,PHP ,SQL
 - Web Development: HTML,CSS
 - Tools: Git,GitHub, VS Code
 - Soft Skills: Teamwork, Fast Learner, Communication, Analytical thinking
-

PROJECTS

1. Event Report Writing System (PHP – Core Logic + PDF Generation)

GitHub: [Pranavgade08/Report_Writing_Portal](https://github.com/Pranavgade08/Report_Writing_Portal)

- Developed a PHP-based Event Report Writing System for creating and managing event reports used at the college level.
- Implemented functionalities such as Add, Update, View, and Delete reports with database integration.
- Designed a PDF generation module to export reports including event details, images, and attendance records.
- Integrated image upload feature to attach event photos within reports.
- Managed attendance data within reports for better event documentation.
- Built dynamic and user-friendly web interfaces using HTML, CSS, and PHP.

2. Lab Report Portal (PHP, SQL + AI Integration)

GitHub: [Pranavgade08/Labproject](https://github.com/Pranavgade08/Labproject)

- Developed a Lab Report Management System to create, store, and manage laboratory reports efficiently at the college level.
- Designed a responsive UI using HTML and CSS.

- Developed a Lab Report Management System for managing and storing laboratory reports.
- Built backend using PHP and SQL with CRUD operations (Add, Update, View, Delete).

Designed a responsive UI using HTML and CSS.

- Integrated AI-based features for automated report generation.
 - Implemented network-based monitoring using IP address and device name.
 - Enabled basic remote system control within the lab environment.
-

EDUCATION

- Bachelor of Science in Information Technology (B.Sc. IT)
Dr. Babasaheb Ambedkar Marathwada University, Chhatrapati Sambhajinagar 2023 – 2026 (Appearing) | CGPA: 8.23

- HSC – Science Stream
S.B.E.S. College of Science, Chhatrapati Sambhajinagar 2021 – 2023 | 61.72%

- SSC
A.K. Wagmare High School, Chhatrapati Sambhajinagar 2020 – 2021 | 89.43%
-

CERTIFICATION

- CORE JAVA
 - CPP Programming
 - Cybersecurity Analyst Job Simulation(TATA)
 - Communication and Presentation Skill (COURSERA)
 - C Programming
 - CSS
-
